Dogus University, İstanbul

Computer programming

EMPLOYMENT

Warehouse worker

Jun 2025 - Sep 2025

Teknosa, Kocaeli / Gebze

I had many experiences in Teknosa warehouse organization, transferring products to Excel and most importantly, it gave me business experience.

Cargo staff

Jun 2024 - Sep 2024

Amazon, Kocaeli / Gebze

I worked at Amazon's cargo distribution center, where I was responsible for filling cargo trucks.

IT & R&D Intern

Feb 2026 - Present

KKB (FİNDEKS), İstanbul / Ataşehir

Completed an internship in the Technology Operations team at **KKB (FİNDEKS)**. Provided technical support by handling user requests and resolving system issues. Gained practical experience in Active Directory user management, domain operations, hardware installations, and IP/network configurations. Also supported VIP users on-site, improving problem-solving and communication skills. Additionally, contributed to R&D activities by supporting development-oriented tasks and participating in various process improvements. Gained broad exposure to corporate IT operations and workflows.
